## Heartfelt Thoughts

Dear Families,

Thank you is not nearly enough for the endless support and love we have received throughout 2024 from each and every family. You showered us all with thoughtful gifts. Your gratitude spread pride and joy throughout the building. PMPlace is blessed with an incredibly creative and kind team of teachers and the most wonderful families ever. You are all in my prayers for a safe, healthy and peaceful 2025. You truly are the foundation and inspiration to PMPlace.❤️

Thanks to our generous families we were able to support the community by donating toys and gifts to the Stonington Human Services for families in need.

Please know what joy your children bring to our lives. We not only supply care, safety, and direction here at Precious Memories Place; we supply love, respect, and admiration.

Blessings from us to you and your family for a happy and healthy 2025!

## Soaring and Exploring Revolutionary Academics

This month we will be exploring polar animals and hibernation. We will visit Antarctica and learn about penguins and their habitats.

*A new year is on the way and the possibilities are endless. Wishing you beautiful moments, treasured memories and all the blessings a heart can know ❤️*
