**Friday: St. Paddy's Day**- Wear your Green

## Heartfelt Thoughts

As we continue to embrace winter, we invite spring and all it's New England charm. Spring is a time to switch out our cubbies and exchange our winter clothing. It's time to open the windows and let in the fresh air and sunshine. Spring is also the time when we look forward to longer days.

We love watching children explore around the globe. Learning about cultures and traditions help children build a sense of identity and expand their knowledge of the world. Through **Global Trotters**, this month we will visit Ireland to see castles and The Cliffs of Moher.

### PNO-Fri, March 21

On Friday, March 21, we will be open from 6:00pm-9:00pm for fun with friends. The children will do Over the Rainbow themed activities, have dinner and a special dessert.

PNO Fee: \$50 per child.

### National Read Across America Day- Thursday, March 6

Early Literacy development begins in the first three years of a child's life and supports their future language development, reading, writing and overall learning. Here at PMPlace we value literacy at all it's levels. We invite our children and teachers to dress as their favorite book character as we celebrate our love for literacy.

Spring: A lovely reminder of how beautiful change can truly be
